

# Newcastle Airport annual Charity Golf Day sponsorship invitation

Monday, 15 March 2010

In support of the Hunter Breast Cancer Foundation

## Newcastle Airport's Charity Golf Day

The golf day was the brainchild of Airport CEO Paul Hughes who is an avid golfer. His vision to host a golf day and donate the proceeds to charity came to fruition in 2009 when Newcastle Airport hosted its inaugural golf day.

In its first year the generous support of the sponsors and 100 players enabled Newcastle Airport to raise \$15,000 for charity.

Newcastle Airport is committed to supporting its local community and is proud to once again present its Golf Day in 2010 and we invite you to participate as a sponsor or as a player.

## Our 2010 Charity of Choice

This year, Newcastle Airport has forged a partnership with Hunter Breast Cancer Foundation and will be raising money for this local community organisation.

Through this partnership the Airport will be funding the Foundation's post surgery Comfort Cushions. The Hunter Breast Cancer Foundation Cushion is used by patients who have undergone a mastectomy or lumpectomy. The cushion provides protection and comfort post surgery and while travelling. They have been produced by the Foundation since it was established almost 10 years ago and are made by teams of volunteers in Newcastle and the Tomaree Peninsula.

In 2010 the Foundation is expecting to distribute more than 550 cushions to people throughout the region.

As well as the Cushions, Hunter Breast Cancer Foundation provides grass root support to local people undergoing treatment for breast cancer. It does this by:

- > Providing transportation to and from treatment and medical appointments.
- > Having lawns maintained during treatment.
- > Cleaning patients' homes during treatment.
- > Providing education scholarships for children of families affected by breast cancer.
- > Working toward the construction or acquisition of Virginia's Place – a place that patients, their carers and volunteers of the Foundation can access information, assistance or simply a place to rest before or after treatment.

The Foundation is able to do this because of the generosity of our community.

Hunter Breast Cancer Foundation is a not for profit organisation managed by a volunteer board and includes teams of volunteer support groups.
